

Eagles Spa by ELEMIS

KIDS SPA TREATMENT MENU 5-12 YEARS OLD

The family spa programme offers relaxation and rejuvenation to the whole family. Indulge in the pleasure of a massage, a body, or a facial treatment. Our trained team will be happy to help you to choose the right treatment for you and for your entire family. To fully enjoy your treatment, please be at your appointment 15 minutes before. Being late for your appointment may shorten the length of your treatment. Without timely warning in case of cancellation of your treatment, you should inform us at least four hours before the time of your appointment, and for the packages 24 hours earlier in order not to be charged for this appointment.

For visiting the Eagles Spa, you will find bathrobes and towels in your room. Entry is allowed only with swimsuit. For our young guests under the age of 12 years, we offer individual and perfectly tailored wellness program. The treatments are performed with ELEMIS products.
